

## HOME FIRE SAFETY - ESCAPE PLANNING

1. Dial **911** for emergencies. 719-484-0911 for no emergencies.
2. Working Smoking alarms.
3. Never open hot doors.
4. Teach family to stop, drop and roll.
5. Practice finding way out of house blindfolded with eyes closed.  
Crawl and feel your way out of the house.
6. Escape first and then dial **911**.
7. Help children and senior citizens evacuate house.
8. Decide on a meeting place outside of house to assure that all family members are safe.
9. Purchase at least one fire escape ladder for second story home evacuations.
10. Practice monthly family fire escape plans.
11. **Never** reenter a fire once escaped! Don't try to fight fire. Wait for fire department/emergency responders.
